

NEC 2020 ALERT

Service disconnect requirements have changed in the NEC 2020 code. PacifiCorp is currently reviewing its approved service entrance equipment list in light of these changes. Consult your local inspector for current NEC code requirements for your area when selecting service entrance equipment.

Customer's Responsibility

Since manufacturer documentation may contain inconsistencies, it is the customer's responsibility to verify the equipment on this list meets the requirements stated in PacifiCorp's 2022 Electric Service Requirements Manual.
