

SCHEDULE NO. A-115

FINANSWER EXPRESS

PURPOSE:

Service under this Schedule is intended to maximize the efficient utilization of the electricity requirements of new and existing loads in commercial buildings and industrial and agricultural facilities through the installation of Energy Efficiency Measures. Program services and incentives are subject to funding availability.

APPLICABILITY:

To service under the Company's General Service Schedules A-25, A-32, A-33, A-36, AT-47, AT-48, AWH-31, LS-53, LS-58, OL-42, PA-20, and PA-40 in all territory served by the Company in the State of California.

CUSTOMER PARTICIPATION:

Customer participation is voluntary and is initiated by following the participation procedures on the California energy efficiency program section of the Company Web site.

DESCRIPTION:

Ongoing program to provide incentives for a variety of equipment located in commercial buildings and industrial and agricultural facilities. Periodic program changes will be made to insure or enhance program cost-effectiveness as defined by the Company.

QUALIFYING EQUIPMENT:

Equipment which when installed in an eligible facility results in verifiable electric energy efficiency improvement compared to existing equipment or baseline equipment as determined by the Company.

PROVISIONS OF SERVICE:

1. Qualifying equipment and services, incentive amounts, and other terms and conditions will be listed on the California energy efficiency program section of the Company Web site and may be changed by the Company with at least 45 days notice. Such changes will be prominently displayed on the California energy efficiency program section of the Company Web site and include a minimum 45 day grace period for processing prior offers.
2. Company may elect to offer incentives through different channels and at different points in the sales process. The differences will depend on the energy efficiency measure and will be consistent for all measures of similar type.
3. Incentives may be offered year-round or for selected time periods.
4. Equipment or services receiving an incentive under this program are not eligible for incentives under other Company programs and visa versa.

SCHEDULE NO. A-115

FINANSWER EXPRESS

PROVISIONS OF SERVICE: (Continued)

5. Company may offer payment as described on the California energy efficiency program section of the Company Web site to a design team member to encourage early initial Company consultation on Owner/Customer design and plans for New Construction/Major Renovation.
6. Company will employ a variety of quality assurance techniques during the delivery of the program. They will differ by energy efficiency measure and may include pre- and post-installation inspections, phone surveys, confirmation of Owner/Customer and equipment eligibility.
7. Company may verify or evaluate the energy savings of installed energy efficiency measures. This verification may include a telephone survey, site visit, review of facility operation characteristics, and pre- and post-installation of monitoring equipment and as necessary to quantify actual energy savings.

RULES AND REGULATIONS:

Service under this schedule is subject to the General Rules and Regulations contained in the tariff of which this schedule is a part, and to those prescribed by regulatory authorities.
