

FinAnswer[®] Express Incentive Application

Farm & Dairy

To apply for FinAnswer[®] Express incentives:

- 1) Review the measure descriptions below and in the Measure Catalog to ensure that equipment meets eligibility criteria.
- 2) Purchase and install equipment. Complete and sign this application form. Attach a copy of invoice(s) or sales receipt(s). Also, either attach a copy of a recent Pacific Power bill or write account number and meter number in the space below.
- 3) Fax, mail or scan and email to address shown at end of form by January 31, 2013 for equipment purchased between January 19, 2012 and December 31, 2012. Please allow 6 weeks for delivery of check.

The incentive check will be issued to the participant name given below unless a third-party payment release is completed and submitted with this application. If you wish the incentive check to be made out to a third party, attach the completed third-party release and check here:

| PARTICIPANT INFORMATION | | | | Participant is (check all that apply): | | | |
|---|------|----------|--|--|---------|------|--|
| Participant name (if account holder, name on Pacific Power bill): | | Contact: | | Title: | | | |
| Contact cell or telephone: | Fax: | Email: | | | | | |
| Mailing address (if different from installation address): | | | | City: | State: | Zip: | |
| PROJECT SITE INFORMATION (where items are installed) | | | | | | | |
| Address where items installed: | | | | City: | State: | Zip: | |
| | | | | | CA | | |
| Account # and meter # where installed: | | | | Installation date: | Dealer: | | |

QUALIFYING CRITERIA. To confirm eligibility, please review and check off.

- Equipment has been installed at the site identified above and was purchased between January 19, 2012 and December 31, 2012.

| | Incentive Description | Unit | Quantity | Incentive | |
|---|---|----------------------------|----------|-------------------------|----|
| Automatic Milker Takeoffs (retrofit only) | <input type="checkbox"/> Must be able to sense milk flow and remove milker when flow reaches a pre-set level. | \$235 each | x | \$ | |
| | <input type="checkbox"/> Must have VFD in place on vacuum pump. | | | | |
| | <input type="checkbox"/> Replacement of existing automatic milker takeoff not eligible. ¹ | | | | |
| Agricultural Engine Block Heater Timers | <input type="checkbox"/> Timer must be a UL-listed device and rated for a minimum of 15 amps continuous duty. | \$10 each | x | \$ | |
| Heat Reclaimers | <input type="checkbox"/> Heat reclaimer must use waste heat from milk cooling refrigeration system to heat water. | \$220 / condensing unit kW | x | \$ | |
| | <input type="checkbox"/> Participant must use electricity to heat water. | | | | |
| Milk Pre-Coolers | <input type="checkbox"/> The equipment must cool milk with well water before it reaches the bulk cooling tank. | see Note 2 | | \$ | |
| Programmable Ventilation Controllers | <input type="checkbox"/> The equipment must control ventilation fans based on temperature or other environmental factors such as humidity, odor concentration, etc. | \$20 / fan controlled | x | \$ | |
| VFD for Dairy Vacuum Pumps (retrofit only) | <input type="checkbox"/> The drive must vary the motor speed in accordance with the flow needs of the vacuum system. | \$165 / hp | x | \$ | |
| Circulating Fans | 12-23" Diameter <input type="checkbox"/> Fans must achieve an efficiency level of 11 cfm/watt. | \$25 / fan | x | \$ | |
| | 24-35" Diameter <input type="checkbox"/> Fans must achieve an efficiency level of 18 cfm/watt. | \$35 / fan | x | \$ | |
| | 36-47" Diameter <input type="checkbox"/> Fans must achieve an efficiency level of 18 cfm/watt. | \$50 / fan | x | \$ | |
| | ≥48" Diameter <input type="checkbox"/> Fans must achieve an efficiency level of 25 cfm/watt. | \$75 / fan | x | \$ | |
| High-Efficiency Ventilation Systems | 12-23" Diameter <input type="checkbox"/> Fans must achieve an efficiency level of 11 cfm/watt. | \$45 / fan | x | \$ | |
| | 24-35" Diameter <input type="checkbox"/> Fans must achieve an efficiency level of 13 cfm/watt. | \$75 / fan | x | \$ | |
| | 36-47" Diameter <input type="checkbox"/> Fans must achieve an efficiency level of 17 cfm/watt. | \$125 / fan | x | \$ | |
| | ≥48" Diameter <input type="checkbox"/> Fans must achieve an efficiency level of 19.5 cfm/watt. | \$150 / fan | x | \$ | |
| | | | | Total Incentive: | \$ |

Note 1: Replacement of existing automatic milker takeoffs may qualify for a custom incentive.

Note 2: Incentives are paid at \$0.12/kWh + \$50/kW. Energy and demand savings subject to approval by Pacific Power.

Please call for assistance with determination of incentive.

TERMS AND CONDITIONS

Qualifying Customers: Eligible customers include commercial, industrial, and agricultural electric customers whose facilities are within the State of California and who purchase their electricity from Pacific Power on one of the following retail general service schedules: **A-25, A-32, A-33, A-36, AT-47, AT-48, LS-53, LS-58, OL-42, PA-20.**

Eligible Dates: This 2012 Customer Incentive Application covers qualifying equipment purchased between January 19, 2012 and December 31, 2012. Incentive applications for 2012 installations must be postmarked by January 31, 2013. Applications received after this date may not be processed. Equipment must be purchased and installed prior to submitting an incentive application. For 2013 installations, visit our website at **pacificpower.net/wattsmart.**

Incentive Limitations & Limitation of Damages: Pacific Power does not warrant the performance of qualifying/installed equipment and does not warrant that the qualifying/installed equipment will deliver any specified amount of energy or cost savings. The customer shall independently evaluate the qualifying equipment. In no event will Pacific Power be liable for the failure of the customer to achieve its expected amount of energy savings, for harm to customer's facilities of any kind, or for any incidental or consequential damages of any kind in connection with installation of this qualifying equipment.

Transfer of Environmental Attributes: Customer hereby transfers to Pacific Power all "Environmental Attributes" attributable to the installation of the qualifying equipment or its operation. Environmental Attributes include any and all credits, benefits, emissions reductions, offsets, and allowances, howsoever entitled, resulting from the avoidance of the emission of any substance to the air, soil, or water at or by PacifiCorp generating facilities, through reduced generation of energy or other savings or offsets on account of the qualifying equipment. Customer will not claim ownership of any Environmental Attributes. As long as customer at the same time states the installation of the qualifying equipment was made possible with funding from Pacific Power, Customer may claim that it is facilitating the production of the Environmental Attributes attributable to the qualifying equipment.

Tax Liability: Neither Pacific Power nor its Program Administrator is responsible for any tax liability which may be imposed on the Participant as a result of any incentive payment. Participant may be responsible for the tax reporting to the IRS of any incentive payments directed to third parties. Neither Pacific Power nor its Program Administrator is providing tax advice, and any communications to such parties is not intended to be used, and cannot be used, for the purpose of avoiding penalties under the Internal Revenue Code.

Additional Details: Incentive qualifications and amounts are subject to change and termination at any time. Visit the program's website, review the Incentive Catalogs, or contact your local equipment dealer or Pacific Power for current program information. Pacific Power reserves the right to conduct random inspections to verify information provided on the application. After incentive payment, Pacific Power reserves the right to inspect qualifying equipment, which may include a telephone survey, site visit, and/or the installation of temporary monitoring equipment at any time up to 36 months after installation for quality control of the application or program performance evaluations.

Pacific Power issues FinAnswer Express incentives in the form of checks, not utility bill credits. Pacific Power is not responsible if your dealer provides inaccurate information about the amount and/or conditions of the actual incentive and Pacific Power will not pay incentives for equipment that is mislabeled or misrepresented by dealers regarding incentive qualifications. Qualifying equipment receiving incentives under the FinAnswer Express program may not receive purchase and installation incentives or credits under other Pacific Power programs. Please allow six weeks for your incentive check to arrive.

CUSTOMER ACCEPTANCE OF TERMS

I hereby certify that all information provided is accurate, including claims of customer and equipment information, and that the equipment associated with this incentive application has been purchased and installed. I have read the **terms and conditions** and agree to be bound by them and agree that Pacific Power may verify all the information provided. My signature below authorizes Pacific Power to provide my electric account information to contractors associated with the FinAnswer Express program.

Signature _____ Printed name _____ Date _____

Request for Taxpayer Identification and Certification
