

Saving Energy and Money with FinAnswer Express®  
*Business Energy Efficiency Breakfast*

Join us for this important breakfast to learn about tips for reducing your business energy costs through our FinAnswer Express® program and incentives for qualified lighting, motor, HVAC and other equipment for our **commercial and industrial customers in California**.

This session will introduce valuable ideas, support and services for energy-efficient lighting and other equipment and show you how our Energy Efficiency Alliance can help. **Incentives are available for installation of qualifying equipment such as:**

- Energy efficient lighting equipment including:
  - T8 & T5 fluorescent fixtures
  - Pulse start & ceramic metal halide fixtures
  - LED exit & channel letter signs
  - Lighting controls and more!
- NEMA premium efficiency motors
- Green motor rewinds
- Irrigation, farm, and dairy equipment
- High efficiency HVAC equipment
- High efficiency chillers
- HVAC Variable frequency drives
- Compressed air equipment
- Food service equipment and more!
