

FinAnswer Express® Program Update WASHINGTON ENERGY EFFICIENCY ALLIANCE BREAKFAST

Join us for this important breakfast to learn about Pacific Power FinAnswer Express program updates for 2010 and new incentives for qualified lighting, motor, HVAC and other equipment for Pacific Power’s commercial and industrial customers in Washington. Awards will also be given to top producing lighting allies.

This session will also include an update on valuable support and services available through Pacific Power’s Energy Efficiency Alliance program for approved allies. Incentives are available for installation of qualifying equipment such as:

- Energy efficient lighting equipment including:
 - T8 & T5 fluorescent fixtures
 - Compact fluorescent lamps
 - Pulse start & ceramic metal halide fixtures
 - LED exit & channel letter signs
 - Lighting controls and more!
- NEMA premium efficiency motors
- High efficiency HVAC equipment
- PTAC occupancy sensor controls
- Food service equipment
- High efficiency chillers
- Variable Frequency Drives, compressed air measures, plug load occupancy sensors and more!

RSVP today for this FREE “hearty” breakfast session on:
