

Capacity Reservation Application

To complete the online Capacity Reservation Application to reserve your place in the Pacific Power Oregon Solar Incentive Program, you will need the following information:

- Your name, phone number and email address
- Your Pacific Power account number
- Site address where the solar system will be installed
- Anticipated date when the solar installation will go online
- Nameplate capacity in kW
- Anticipated level of interconnection:
 - Level 1 is 25 kW or smaller
 - Level 2 is larger than 25 kW
 - Level 3 is for special circumstances
- County
- System installer:

(Note: system installer must be an Energy Trust Trade Ally in good standing)

 - Name of company
 - Contact person
 - Phone number
 - Email address
- If selected, a deposit of \$500 or \$20/per kWdc nameplate capacity, whichever is greater, will be required (Visa, MasterCard, Discover and Paypal accepted).

Solar contractors and customers note: Please coordinate your submittals. Multiple applications for the same site will result in a forfeit of any subsequent deposit.
