

INDEPENDENT EVALUATOR COST ADJUSTMENT

Page 1

Purpose

This schedule recovers the costs for the Oregon independent evaluator for requests for proposals under the competitive bidding guidelines, pursuant to Order No. 06-446.

Applicable

To all bills for electric service calculated under all tariffs and contracts.

Adjustment Rate

The adjustment rate for all schedules is 0.000¢ per kWh, for all kWh.

This schedule will terminate at such time as the independent evaluator deferred balances have been fully collected.
