

Oregon Blue Sky® renewable energy options enrollment form

Yes! I am a Pacific Power Oregon business customer and would like to enroll in the renewable energy option selected below. I agree to pay the extra charge noted below on my monthly electric bill to support renewable energy. Credit criteria apply.

<hr/>	
Company name	Type of business
<hr/>	
Contact first name	Contact last name
<hr/>	
Service address (meter location, also known as your service street address)	
<hr/>	
Mailing address (if different from service address)	
<hr/>	
City, State, Zip	Account number (optional; number in upper right corner of bill)
<hr/>	
Daytime phone	Email address

Enroll me in (please mark only one of the renewable energy options below):

- If you are a current Blue Sky customer and are changing your enrollment, please check here. Indicate below the total number of blocks you want to purchase each month, or mark Usage or Habitat if you'd like to change options.*

Small Business options (rate schedules 23 or 41)

There is no minimum length of participation for these options; you may cancel at any time. However, a minimum block purchase is required to participate in our Business Partner Program (see section below).

- Block:** Support western region wind (50%) and solar (50%) energy and help develop community-based, small-scale renewable energy projects for a fixed cost of \$1.95 per 100-kilowatt-hour block per month. Buy as many blocks as you would like. \$1.95 per block x _____ # of blocks purchased = \$ _____ per month
- Usage:** Support a blend of renewable energy equal to 100% of my electric use for an additional \$0.0105 per kwh. Likely to include wind (44%) and solar (56%) from the western region (AZ, CA, CO, ID, MT, NM, NV, OR, UT, WA, and/or WY).
- Habitat:** Same as Blue Sky Usage, plus you help restore and preserve native fish habitat, including salmon in Oregon through a fixed \$2.50 monthly donation that is directed to The Freshwater Trust (a nonprofit agency). Check out pacificpower.net/habitat for more information.

Blue Sky products are Green-e® Energy certified, and meet the environmental and consumer-protection standards set forth by the nonprofit Center for Resource Solutions. Learn more at www.green-e.org.

continued

Large Business options (rate schedules 28, 30, 41L or 48)

- Block:** Support western region wind (50%) and solar (50%) energy and help develop community-based, small-scale renewable energy projects for a fixed cost of \$1.95 per 100-kilowatt-hour block per month.

\$1.95 per block x _____ # of blocks purchased = \$ _____ per month

- QS:** Purchase at least 101 blocks of renewable energy per month in 100-kwh blocks for a minimum of one year. The more you buy, the less the per-unit (block) cost. \$ _____ per month. Please see pacificpower.net/calculator for a calculator to determine exact costs.

For more details about the renewable energy you will support through your participation, please see our Product Content Labels available at pacificpower.net/blueskypcl.

Blue Sky Business Partner Program

Yes! I want to participate in the Business Partner Program and I agree to meet the minimum purchase requirement of the recognition category* I've selected.

- I authorize the use of my business name and participation level in order to receive marketing benefits from my enrollment.

Customer signature: _____ Date: _____

Print name and title: _____

Doing business as (known business name): _____

Type of business: _____

Marketing/PR contact: _____

Recognition category: _____ Average monthly kwh usage:** _____

*For more information on the recognition category, visit us at pacificpower.net/blueskybiz.

**The average monthly kwh consumption data appears on the upper right side of your bill, just below the date.

After completing the form, make a copy for your records and send the original to:

Email: bluesky@pacificcorp.com

Mail: Blue Sky Renewable Energy, P.O. Box 400, Portland, OR 97207-0400

If you have any questions about your enrollment or want more information about the Blue Sky program, please call **1-800-769-3717**.

Pacific Power's Blue Sky Block renewable energy supply is expected to be 50% wind and 50% solar from the Western region (OR, WA, CA, ID, UT, WY and/or the broader Western region). The Western region is defined as the states listed, plus NV, AZ, MT, CO, NM, and the Canadian provinces of BC and AB. Businesses can elect to match a portion of their business' electricity use by purchasing 100 kWh Blocks for a monthly cost of \$1.95 each. Or, if eligible, businesses can match 100% of their electricity use with the Usage & Habitat option at a rate of \$0.0105 per kWh used. The Blue Sky Usage & Habitat renewable energy supply is expected to be 44% wind and 56% solar (AZ, CA, CO, ID, MT, NM, NV, OR, UT, WA, and/or WY). You may opt out or change your program option at any time without penalty. The amount of your selected option will be added to your bill each month.

THANK YOU
for making a commitment to renewable energy through Blue Sky.
Your purchase helps make a difference.

When you enroll in Blue Sky, Pacific Power purchases renewable energy certificates equal to your Blue Sky purchase; this guarantees that renewable energy was produced and delivered to the grid, which helps reduce the need for nonrenewable electricity production in the region where the renewable energy facility is located. For every unit of renewable electricity generated, an equivalent amount of renewable energy certificates are produced. Your purchase helps build a market for renewable energy and may have other local and global environmental benefits. For more information about RECs, please visit pacificpower.net/bluesky or green-e.org.
