

I HAVE THE POWER TO CHOOSE
renewable energy

BLUE SKY COMMUNITY PROJECTS

These new solar energy projects received funding thanks to Blue Sky participants:

- Boys & Girls Club of Albany - Albany, OR
- Providence Brookside Manor - Hood River, OR
- Steen Sports Park Pavilion - Klamath Falls, OR
- Augustana Lutheran Church - Portland, OR
- St. Andrew Nativity School - Portland, OR
- City of College Place - College Place, WA
- La Casa Hogar - Yakima, WA
- Yakima Housing Authority - Yakima, WA

Blue Sky is Green-e® Energy certified, and meets the environmental and consumer-protection standards set forth by the nonprofit Center for Resource Solutions. Learn more at green-e.org. Green-e® Energy only certifies the renewable energy sold.

BLUESKY
RENEWABLE ENERGY

PACIFIC POWER
POWERING YOUR GREATNESS

With Blue Sky, you have the option to match all or part of your electricity use with renewable energy. While the commitment is small, the impact goes a long way for the community and the environment.

CELEBRATING 22 YEARS!

In 2021, more than 148,000 Blue Sky participants made a difference:

 **1,339,938**
megawatt-hours
of renewable energy supported

↓

that's enough energy to power
130,598
homes for a year*

+

 **345**
community-based renewable
energy projects funded since 2006

Hundreds
of miles of river
restored since 2002 

Enroll in Blue Sky today and make a positive difference across Oregon, Washington, and California.

Fill out the enrollment form and send it back with your bill, call **1-800-769-3717**, or enroll online at **pacificpower.net/bluesky**.

*Based on the system-wide average customer electricity use of 855 kWh/month

yes, I would like to purchase
Blue Sky renewable energy

- BLUE SKY BLOCK** – Match a portion of my electricity use with wind and solar from the Western region (likely to include 25% solar and 75% wind) in 100 kWh blocks and help fund new community-based renewable energy projects in my state. The additional fixed cost is \$1.95 per block per month.

Sign me up for _____ block(s)

- BLUE SKY USAGE** (for Oregon customers) – Match 100% of my electricity use each month with renewable energy from the Western region for an additional \$0.0105 per kWh (about \$9.94 more per month for the average customer*). Likely to include wind (54%) and solar (46%).

- BLUE SKY HABITAT** (for Oregon customers) – Same as Blue Sky Usage plus you help restore and preserve native fish habitats in Oregon through a fixed monthly \$2.50 donation directed to The Freshwater Trust (a non-profit agency). Check out pacificpower.net/habitat for more information.

Please print clearly. This information is kept confidential and you will receive confirmation upon your enrollment.
