Re: PacifiCorp (U 901 E) Advice Letter No. 599-E Update to PacifiCorp's Affiliate Transaction Rules Compliance Plan

PURPOSE

In accordance with the Affiliate Transaction Rules (California Affiliate Rules) adopted by the California Public Utilities Commission (Commission) in Decision No. (D.) 97-12-088, and amended by D.98-08-035, D.98-12-075, D.99-09-002, D.99-10-049, and D.02-02-046, PacifiCorp d/b/a Pacific Power submits an updated Affiliate Transaction Rules Compliance Plan (Compliance Plan) and revises the list of PacifiCorp's California Rule II.B. affiliates and shared directors and officers.

BACKGROUND

PacifiCorp filed its original Compliance Plan by Advice Letter 293-E dated January 30, 1998, and has updated the Compliance Plan periodically to reflect the most recent changes approved by Advice Letter 580-E, effective December 31, 2018. The list of PacifiCorp affiliates and shared officers and directors is included in the Compliance Plan as Attachment A and Attachment B, respectively.

PacifiCorp files this Advice Letter to update Attachment A for entities meeting the definition of "affiliate" as provided in Rules I.A and "engaging in the provision of a product that uses electricity or the provision of services that relate to the use of electricity" under Rule II.B (Rule II.B Affiliates). Specifically, PacifiCorp is reporting an increased 9.54% affiliation with Merrill Lynch Commodities, Inc., which is a wholesale power marketer and purchaser/seller of electricity and natural gas. It does not own, control, or schedule resources that provide ancillary services in the California Independent System Operator (CAISO).

PacifiCorp is reporting an affiliate listing update to Del Ranch Company, which has undergone merger activity during the reporting year following the merger of San Felipe Energy Company into Conejo Energy Company, which subsequently merged into Del Ranch Company. Similarly, Elmore Company has seen activity as Niguel Energy Company has merged into Elmore Company. The mergers increase Berkshire Hathaway Energy's ownership to 100% for Del Ranch and Elmore, but do not result in net additions of generation, transmission, land, fuel, or minerals in California. Additional information is included in Attachment A.

PacifiCorp has also revised its Attachment B to reflect changes to its list of shared directors and officers.

TIER DESIGNATION AND EFFECTIVE DATE

PacifiCorp submits this advice letter with a Tier 1 designation to be effective December 31, 2019. This filing will not result in an increase in any rate or charge, cause the withdrawal of service, or conflict with any schedule or rule.

Anyone wishing to protest this filing may do so by letter sent via U.S. mail, by facsimile, or electronically, any of which must be received no later than January 20, 2020. Protests should be mailed to:
