**GENERAL SERVICE TIME-OF-USE
LARGE NONRESIDENTIAL
DELIVERY SERVICE****Special Conditions**

1. Consumers taking service under this schedule shall be subject to all conditions applicable to Schedule 28 of this tariff.
2. The Consumer must have a time-of-use capable meter installed to participate in this option. The appropriate meter will be installed or the existing meter reprogrammed on the Consumer premises at no extra charge to the Consumer. Billing under this schedule shall begin for the Consumer following the meter update and the initial meter reading.
3. Consumers requesting service under this schedule agree to remain on the schedule for one year. Service will continue under this schedule until Consumer notifies the Company to discontinue service or this schedule terminates.
4. Meters taking service under this schedule will not be eligible to participate concurrently in net metering or any other generation related program offered by the Company.

Continuing Service

Except as specifically provided otherwise, the rates of this tariff are based on continuing service at each service location. Disconnect and reconnect transactions shall not operate to relieve a seasonal Consumer from minimum monthly charges.

Term of Contract

The Company may require the Consumer to sign a written contract which shall have a term of not less than one year.

Rules and Regulations

Service under this Schedule is subject to the General Rules and Regulations contained in the tariff of which this Schedule is a part and to those prescribed by regulatory authorities.
