

Grant Writing Support - Application Form

Overview

Applicants for Grant Writing Support should review the Eligibility Requirements and Definitions. To apply, please fill out Tables 1 and 2 to provide more information about the grant the applicant is pursuing with Pacific Power's Grant Writing Support, the project that would result if that grant were secured and how it would benefit Pacific Power customers, and a demonstrated need for Grant Writing Support.

Definitions

Intended Grant: the grant your organization would like to apply for using Grant Writing Support from Pacific Power

Intended Project: the project that would result if the Intended Grant were secured having used Grant Writing Support from Pacific Power

Grant Writing Support: The funding being requested from Pacific Power through the following application to support the applicant's pursuit of an Intended Grant to execute an Intended Project

Eligibility Requirements

All Pacific Power customers in Oregon on a non-residential electric service schedule or any non-residential entities outside of Pacific Power territory that are providing benefits to Pacific Power customers are eligible to apply for program funds with preference given to community-focused organizations, such as 501(c)(3); city, county, and regional governments with demonstrated need for funding; and Non-profit organizations and governmental entities serving or representing traditionally underserved communities and Pacific Power residential customers. Non-residential includes multi-unit dwelling sites on a non-residential electric schedule. Private sector companies are not eligible for Grant Writing Support

Please note that if selected:

- Up to 75% of the approved Grant Writing Support funding can be provided up front upon request to assist with the Intended Grant application.
- In order to receive the final Grant Writing Support payment, a copy of the completed Intended Grant application must be sent to Pacific Power.

Please see the Definitions above to fill out Tables 1 and 2 to apply for Grant Matching Support
