

NEC 2020 ALERT

Service disconnect requirements have changed in the NEC 2020 code. PacifiCorp is currently reviewing its approved service entrance equipment list in light of these changes. Consult your local inspector for current NEC code requirements for your area when selecting service entrance equipment.

Customer's Responsibility

PacifiCorp has made every effort to ensure that the manufacturer's equipment on this list meets company-specified metering requirements. Since manufacturer documentation may contain inconsistencies, it is the customer's responsibility to verify the equipment on this list meets the requirements stated in PacifiCorp's 2022 Electric Service Requirements Manual.

Milbank Catalog 2024

Introduction

This is a list of all Milbank equipment approved by PacifiCorp. If you have any questions or have found equipment that is not on the list, please feel free to contact Metering Standards Engineering at meteringstandards@pacificorp.com
